Four Graces

2023 WILLAMETTE VALLEY ROSÉ

Established in 2003, The Four Graces is committed to making rich, complex wines where the fruit may be elegantly expressed. The winery offers pinot noir as well as small amounts of pinot gris, pinot blanc and chardonnay. The wines are produced from our three estate vineyards — Foley Family Estate, Doe Ridge Estate, Weathergage Estate and other top sites in the Willamette Valley. Highly acclaimed, The Four Graces wines are hand-crafted in small lots using traditional techniques coupled with the most modern technology in winemaking.

VINTAGE

The growing season got off to a slow start in 2023 and there were concerns of a very late vintage. Unusually warm weather in April and May caused rapid vine growth, catching up to previous vintages. Heat spikes in August led to some sunburn and continued the warming trend of the season. 2023 ended up being one of the warmest and earliest seasons on record. The pinot noir fruit for our Willamette Valley Rosé was sourced from three vineyards in the Willamette Valley. Harvest was started in the early morning of September 15th, gently pressed, and fermented at cold temperatures. When the wine components were in balance, the fermentation was arrested by cooling the vessel to near freezing temperatures.

TASTING NOTES

Our 2023 Rosé of Pinot Noir is a beautiful light pink color with a touch of rouge. Aromas of wild strawberry, lime peel, and layers of tropical fruit set the tone for this delightful rosé. The palate shows bright and crisp acidity, with surprising depth of flavor. It's a perfect pairing for grilled fish, terrine, soft cheeses, and Thai food..
